

Collabrio Pitch Script

This is Armita. *Waves.* Armita is a freelancer. She is one of the best costume designers in the area, and she has tons of experience! *Smiles and gives a thumbs up.*

This is Cate. *Waves.* Cate is putting on a play, but she doesn't know anyone who can make the costumes! *Looks sad.*

With Collabrio, Cate can discover how Armita knows an old colleague and browse her portfolio to see if it's a good match! Now they can work together on a project! *They shake hands.*

Collabrio - turning connections into collaborators.
