

## **Pitch Script**

The energy of watching a movie or game in a big group is unmatched. The chatter, the snacks, and most importantly your friends all gathered in one place.

Why can't you get that feeling whenever you turn on the TV?

With RendezViewz, you can have that social viewing experience right at your fingertips.

Rank movies and shows, create a wish list, see what your friends are up to, and schedule that watch party in seconds!

It's not just about watching; it's about connecting over the films you love. With RendezViewz, go from solo bingeing sessions to becoming Life of the Watch Party!
