

vibe before you arrive.

Make venturing outside your comfort zone fun, not scary.

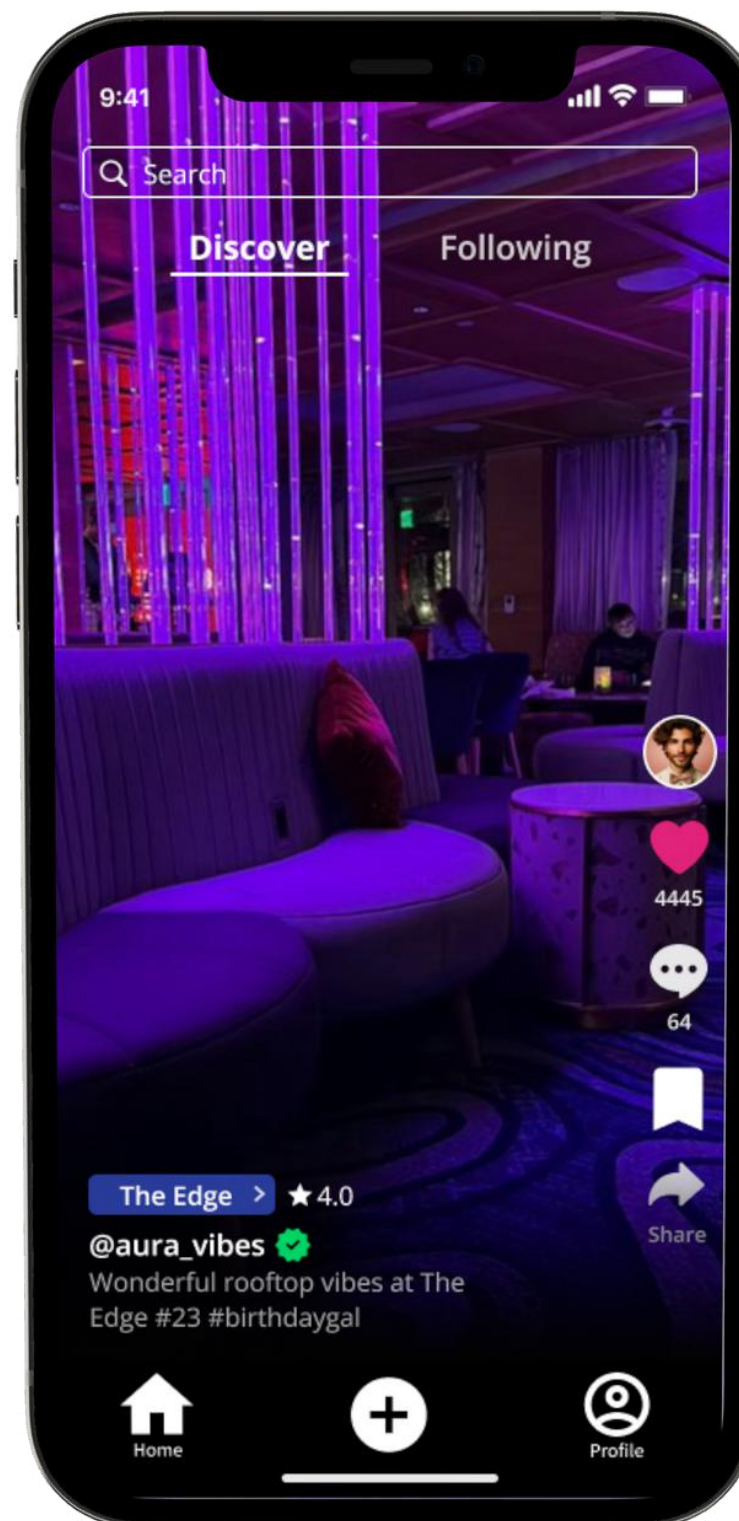

problem

Most people find menus intuitive, but they **struggle to identify the vibe**, or **ambiance**, of a restaurant

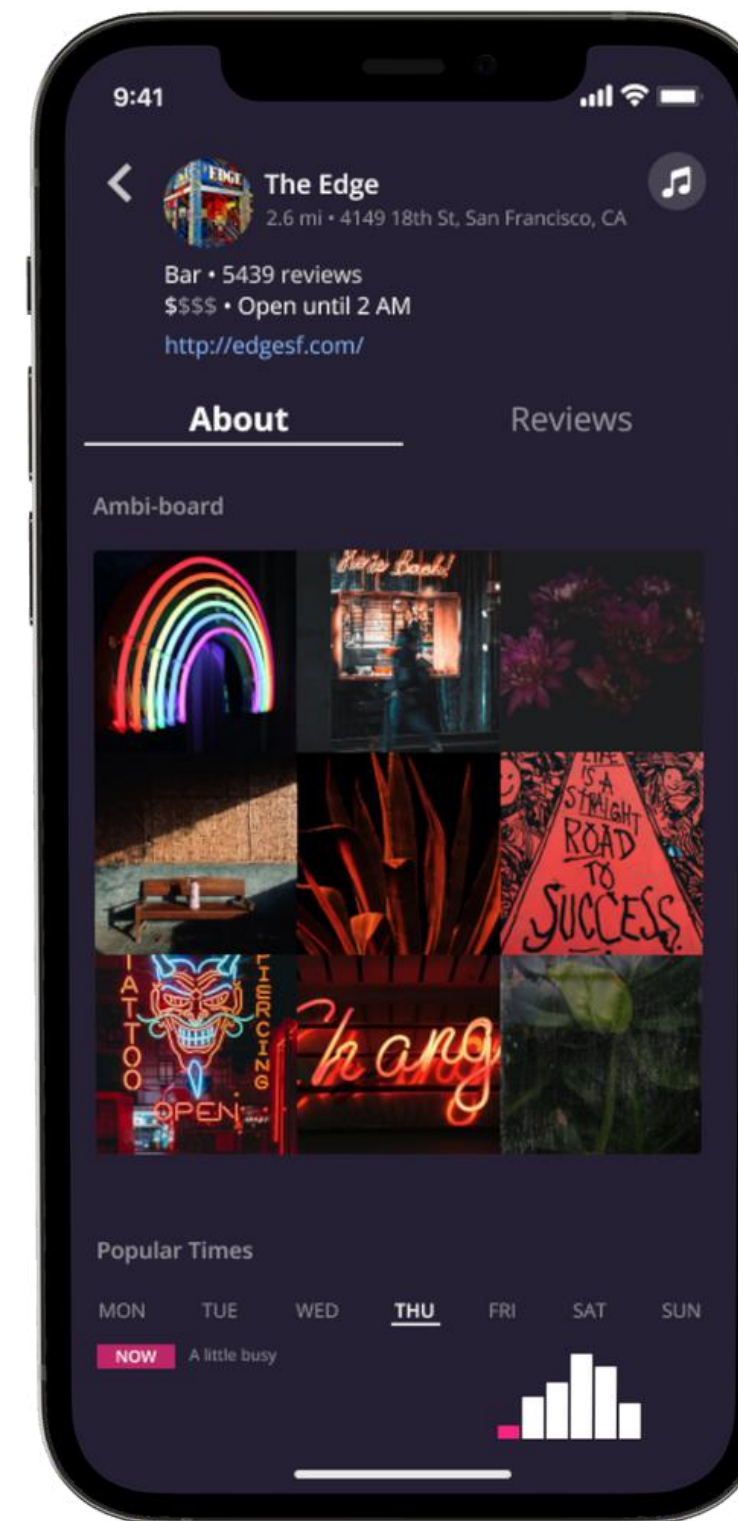

solution

Meet **ambi**, a one-stop app to experience a restaurant's **ambience** through **customer reviews**, **word clouds**, and **fit inspiration**.

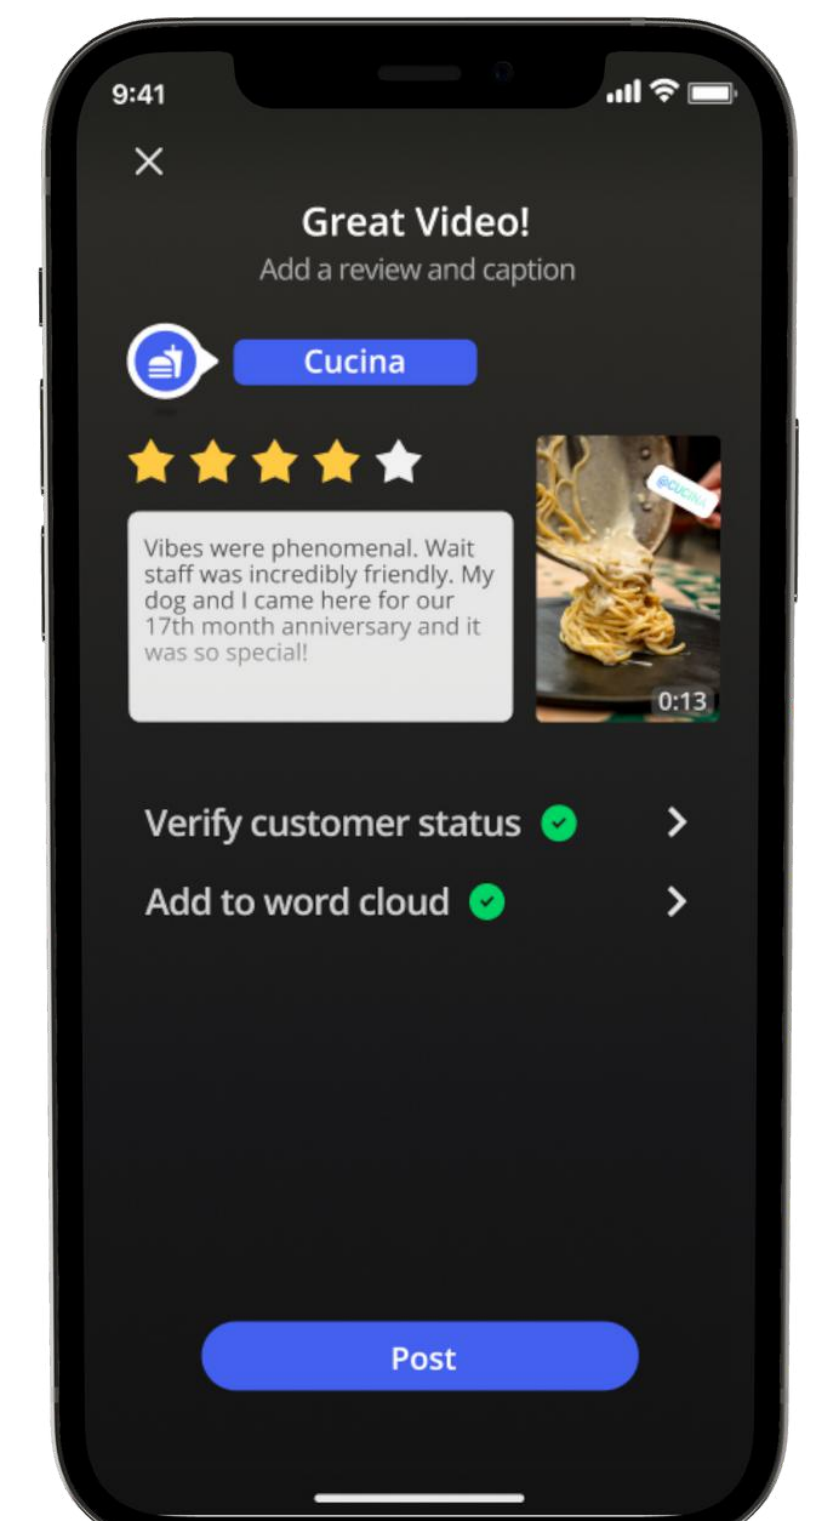

Key Features

discover ambiances through video

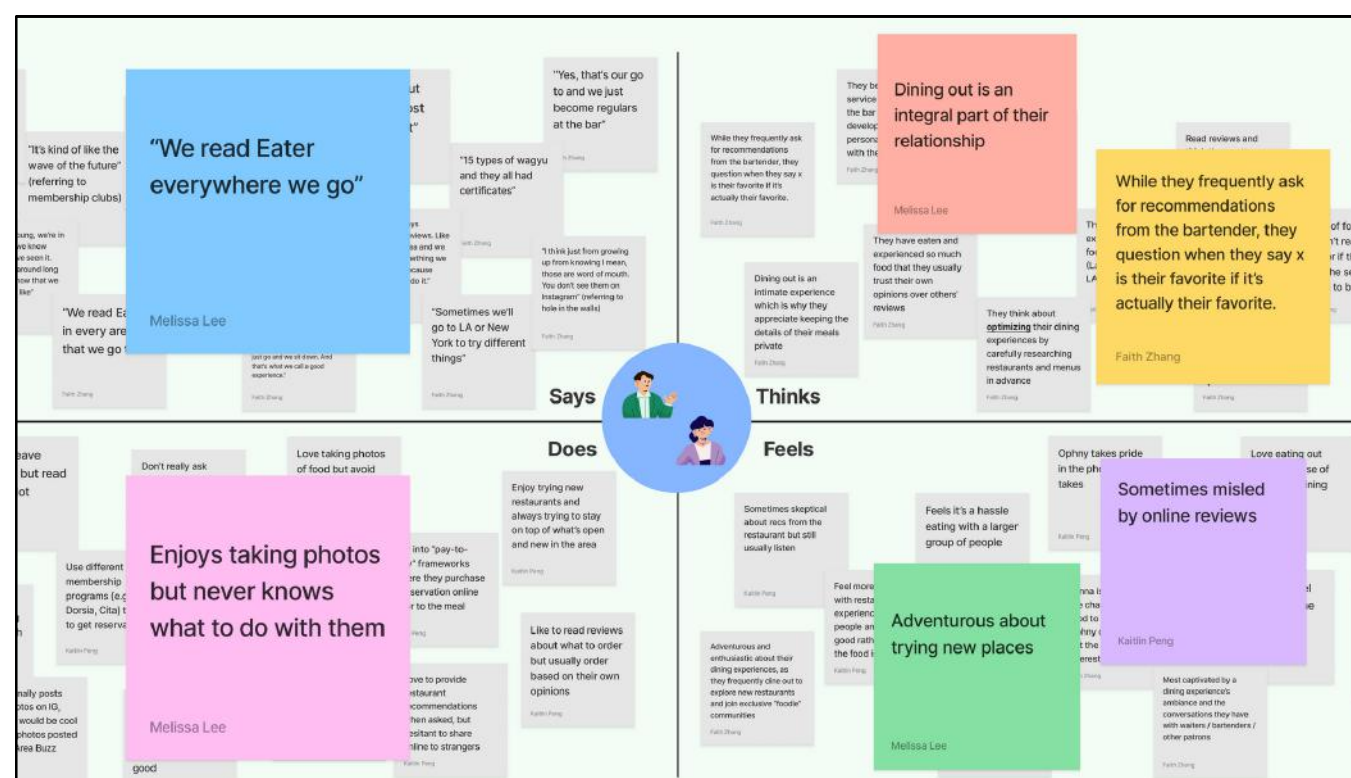

check out the vibe

help create the ambiance!

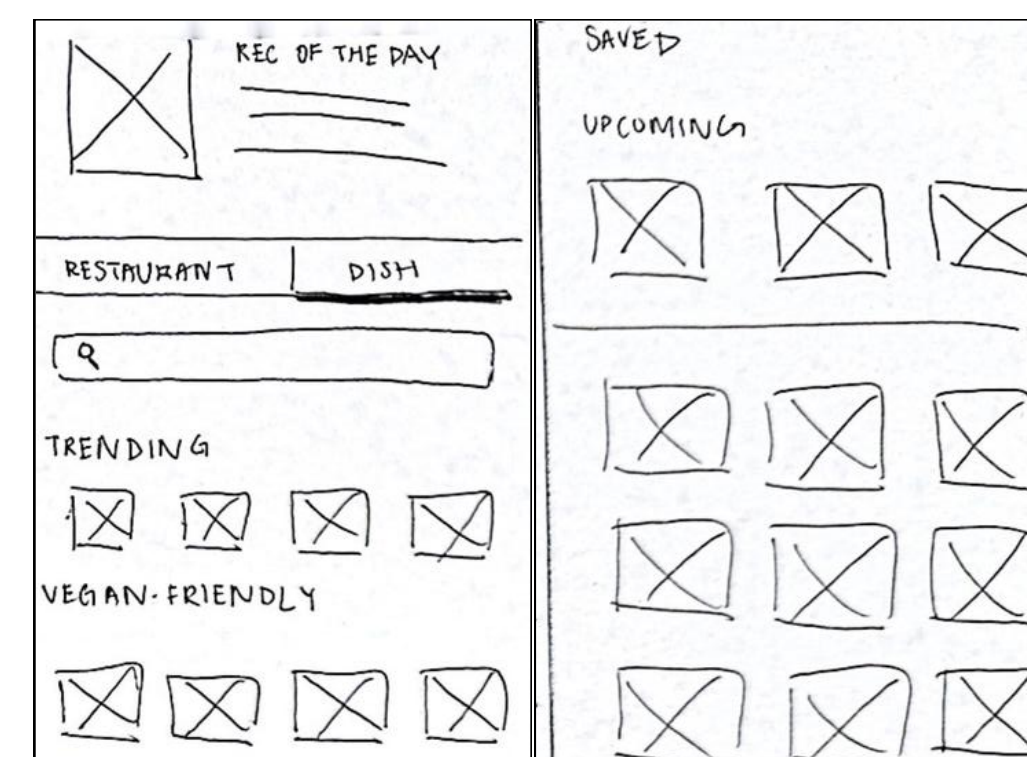

Design Process

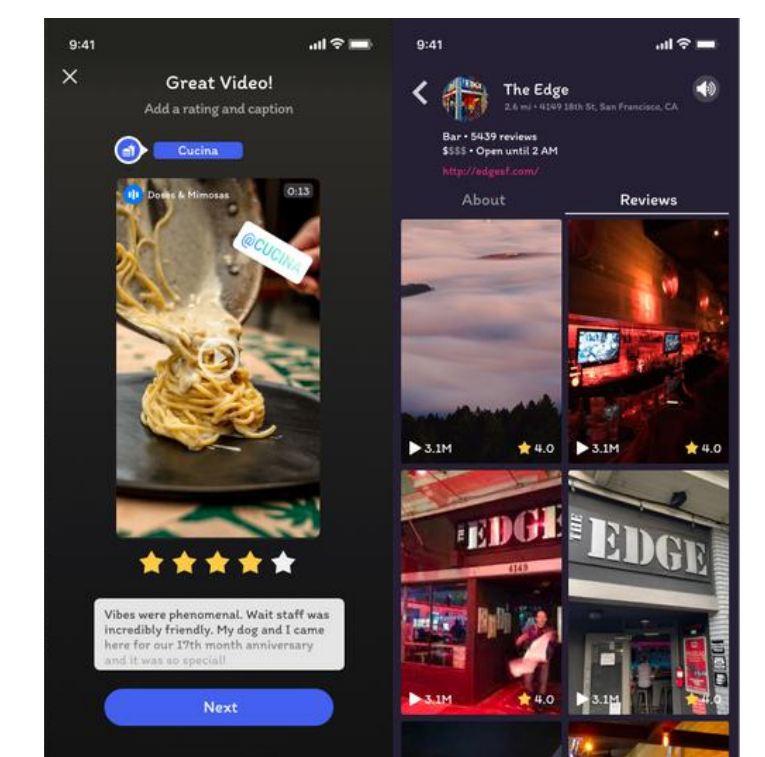

1. Needfinding

2. Testing

3. Low-fi Prototyping

4. Med-fi Prototyping
