

50% of Americans hate cooking. Chances are, you may not love cooking, either.

Well, we want to remind you that cooking is so much more than just food. Our app makes it shockingly easy to cook outside of your comfort zone.

With FoodDex, you'll want to explore new recipes from cultures around the world. Earn badges for your cooking progress and fill your food passport. Share your accomplishments with friends!

Remember what it's like to really feel excited to cook!

FoodDex — cooking, culture, community.
