- |                   |                       |                |
|-------------------|-----------------------|----------------|
| 1. Climbing Net   | 4. Curved Slide       | 7. Sway Bridge |
| 2. Roller Slide   | 5. Parallel Bar Slide |                |
| 3. Climbing Loops | 6. Group Slide        |                |

### Play Zone Innovations:

Each play element provided in this play zone allows children to experience climbing and sliding and the experience of being high above the ground. Three accessible slides with bottom transfer decks (first of it's kind) allow for children of all abilities to experience the beloved play activity. A Custom Climbing Net, Climbing loops and Parallel Bars assist with traversing the mound, and the addition of a Sway Bridge along the elevated walkway creates a unique play experience for all.

# SWINGING AND SWAYING ZONE

Play zone is designated for children between the ages of 2 and 12. Use with CAUTION when equipment is WET or Hot to the touch. Adult supervision is recommended when children use the play zone.
