

Educating For Youth Purpose Around the World

Having a sense of purpose is part of a life well-lived.

*How do young people around the world come to identify a positive purpose in life,
and what is the role of education in providing the momentum to realize it?*

*In this webinar, experts from six countries explore these questions from
multiple national viewpoints.*

PRESENTERS:

Dr. Seana Moran - Clark University (U.S.A.)

Dr. Ulisses Araújo - University of São Paulo (Brazil)

Dr. Pilar Folgueiras, Dr. Esther Luna, Dr. Barbara Biglia and
Dr. Berta Palou - University of Barcelona (Spain)
