STANFORD 120th ANNIVERSARY CELEBRATION in EUROPE

Program

4:30 p.m. Welcome

5:00 p.m. Round Tables: *At the Cutting Edge of Thinking*

Remarks by **H.E. US Ambassador to the OECD, Karen Kornbluh** (tbc)

Outstanding **Stanford faculty and alumni** will present the cutting edges of knowledge and the most challenging ideas in their disciplines. They will also address questions such as:

What thoughts lurk behind research today? How can scientists take responsibility for the effects of their research? How does Stanford keep up with the global competition in research?

How can we teach students to be innovative? To think in interdisciplinary ways? To be leaders?

What challenges will we face tomorrow? How will they affect society, economy, politics, environment? Should we change the paradigms of our thinking processes?
