

ShopCrawl 30-second Pitch Script

Shopping can feel like a chore. It's boring, repetitive, and it's hard to meet new people while doing it. And with our busy lives, our time is more precious than ever.

That's where ShopCrawl comes in! Imagine turning shopping into a social event, like a bar crawl, only, instead of bars, you're crawling from one store to the next.

Join, create, and connect with friends or new people while you shop. ShopCrawl makes every shopping trip a party. Join the party and become a Crawler now!
