

## Traverse Pitch Script

*[Michelle is holding up a painting]*

**Saniya [with frat accent]:** Brooo this painting is so sick, it kinda reminds me of the Mona Lisa.

**Michelle [with frat accent]:** Woahhh I can totally see that connection dude, I wish I could just see it in front of me.

*[Samuel as Mona Lisa pops out]*

**Saniya [with frat accent]:** No wayyy.

*[Samuel as Mona Lisa waves and winks]*

**Kat:** We normally see artworks in isolation – and miss the connections that actually make them meaningful.

Traverse is an interactive art graph that lets you explore art through the relationships that bring them to life. Traverse connections of theme, emotion, and color to spark inspiration and let curiosity guide you through the graph.
