Think back to the last time you experienced a live music event. It's exhilarating to *feel* the rhythm and *engage* in a collective experience — there's nothing like it.

That's why we created TuneTies — a centralized, community-driven platform for discovering live music and connecting with friends and artists. TuneTies democratizes promotion by enabling people to advertise events regardless of size or ticket price.

Join us in *finding the beat of your community* with TuneTies.
