

SCRIPT:

We're standing in a circle on our phones, not even talking.

Jess looks up and says: "Wait...how long have we been here?!?"

Ingrid: "OMG my screen time is 4 days straight"

We go in a circle each saying what we missed:

Ethan: "I'm failing all my classes."

Julia: "Why do I keep getting notifications from James Landay?"

Ingrid: "Who's James Landay"

Ethan: "We need to fix this."

Julia (to everyone): "I'll bet you guys 20 dollars I can use my phone less than you this week"

Jess: "I'm in"

Ingrid: "I'm in"

Ethan: "I'm in"

Jess: "Life is short, don't waste it on your phone. Use LockIn: reduce screen time to win money with friends."

Ethan: "It's time to LockIn."
