

ENGR 108, Summer 2024: Exam Wrapper

Please reflect on the exam you just took using the questions below. There are no correct answers. As long as you engage with the questions you will receive credit.

- Approximately how much time did you spend preparing for this exam? When did you start?

- What percentage of your test-preparation time was spent in each of these activities?
 - Re-reading textbook section(s) _____
 - Reviewing your own notes _____
 - Reviewing homework/section problems _____
 - Working on new practice questions _____
 - Other (please specify below) _____

- After you have looked over your graded exam, look at the questions you lost points on and consider why. Write the question number + subpart next to (at least one of) the reasons below:
 - Trouble applying definitions _____
 - Lack of understanding of concepts _____
 - Unclear expectations _____
 - Not knowing how to approach the problem _____
 - Careless mistakes _____
 - Other (please specify below) _____

- Based on your responses to the questions above, name at least two things you will either try or do differently in preparing for the next exam. For instance, will you spend more time, change a specific study habit/try a new one, use tutoring/office hours, something else?

- What can I do to help support your learning and preparation for the next exam?
