Request for Information on Use of ICPSR Resources: To provide funding agencies with essential information about use of archival resources and to facilitate the exchange of information about ICPSR participants' research activities, users of ICPSR data are requested to send to ICPSR bibliographic citations for each completed manuscript or thesis abstract. Visit the ICPSR Web site for more information on submitting citations.

Data Disclaimer: The original collector of the data, ICPSR, and the relevant funding agency bear no responsibility for uses of this collection or for interpretations or inferences based upon such uses.

Responsible Use Statement: In preparing data for public release, ICPSR performs a number of procedures to ensure that the identity of research subjects cannot be disclosed. Any intentional identification or disclosure of a person or establishment violates the assurances of confidentiality given to the providers of the information. Therefore, users of data obtained from the ICPSR archive and/or any of its special topic archives agree:

- To use these datasets solely for statistical analysis and reporting of aggregated information, and not for investigation of specific individuals or organizations, except when identification is authorized in writing by ICPSR
- To make no use of the identity of any person or establishment discovered inadvertently, and to advise ICPSR of any such discovery
- To produce no links among ICPSR datasets or among ICPSR data and other datasets that could identify individuals or organizations

Redistribution: ICPSR data may not be redistributed or sold to other individuals, institutions, or organizations without the written agreement of ICPSR.

Data Collection Description

Principal Investigator(s): Larry W. Bowman

Title: Survey of African Studies Faculty in the United States, 2002

ICPSR Study Number: 3887

Funding Agency: United States Department of Education. International Research and Studies

Grant Number: P017A010033-02

Summary: This survey examines faculty attitudes about a range of issues facing African Studies programs at colleges and universities in the United States. Questions focused on teaching African studies, study abroad programs, African language study, and attitudes toward Africa. Faculty were also asked to give their views and opinions on African Studies programs at their own institutions.

Universe: African Studies faculty at United States colleges and universities.

Date of Collection: October-November 2002

Time Period: 2002

Response Rates: 59.6 percent

Data Collection Notes: The codebook is provided by ICPSR as a Portable Document Format (PDF) file. The PDF file format was developed by Adobe Systems Incorporated and can be accessed using PDF reader software, such as the Adobe Acrobat Reader. Information on how to obtain a copy of the Acrobat Reader is provided on the ICPSR Web site.

Data Source: telephone interviews

Extent of Collection: 1 data file + machine-readable documentation (PDF) + SAS data definition statements + SPSS data definition statements

Extent of Processing: REFORM.DATA /REFORM.DOC

Data Format: Logical Record Length with SAS and SPSS data definition statements and SPSS portable file
